

# AXIS Hov Housing VT

*Protective housing for Axis Network Cameras\**

AXIS Hov Housing VT protects the Axis Network Camera in outdoor and adverse indoor conditions.

Made of the die-cast aluminium, the housing offers protection against dust and heavy rain. The sunshield with its integrated edge-protector offers good thermal insulation.

Stylishly designed and easy to install, the housing enables the Axis Network Camera to operate in temperatures down to  $-20^{\circ}\text{C}$  ( $-4^{\circ}\text{F}$ ). Various brackets and accessories are available.

*\*AXIS 210, AXIS 210A, AXIS 211, AXIS 211A,, AXIS 211M, AXIS 221, AXIS 223M*
